

Campus Safety Ambassadors

Campus Safety Ambassadors work directly for the police department to provide an additional security presence, act as “eyes and ears” for police personnel, and give walking escorts to students and staff on the main campus only. They conduct foot patrols of North, Central, and South campus from 7:00 pm to 3:00 am – every day of the week.

A Campus Safety Ambassador can be requested by calling the UGA Police Department at (706) 542-2200 or through the UGA Safe App.
